## Early Years Experiences Survey - Kindergarten Registration

Parents of new Kindergarten students are being asked to participate in a voluntary Ministry of Education survey. The survey asks questions about your child's participation in child care and other activities in the community from birth until today and will take about five minutes to complete.

Survey responses will be uploaded into our electronic student registration system, along with the other information you provide on this registration form. The data will be used in your school to help with student transitions to Kindergarten, and by the school board, the Ministry of Education and Early Years partners to plan, coordinate and improve the programs and services for families and young children in your community.

Personal information is collected under the legal authority of the Education Act R.S.O.1980, s.8.1. If you have any questions, please email [kpr\\_info@kprdsb.ca](mailto:kpr_info@kprdsb.ca).

If you do not wish to participate in the survey, you do not have to complete the following pages.

### **CHILD CARE**

The Ministry of Education strives to build a child care and early years system that better supports parents and gives children the best possible start in life. There are many types of child care services available in Ontario.

#### **Types of child care**

**Full-time** – More than 24 hours per week

**Part-time** – 24 hours or less per week

**Parent/Guardian Care** – Care provided by a child's parent or guardian

**Unpaid Care** - Care provided by friends, relatives or caregivers, other than the child's parent(s) or guardian(s), where no fees are charged to the parent(s) or guardian(s).

**Paid Care** –Care provided by friends, relatives, nannies, or home child care providers who charge a fee to provide care in a child's home or in the provider's home.

**Licensed Home Child Care** - These providers have a contract with a licensed home child care agency and use their own homes to look after children. The licensed home child care agency screens, approves and monitors the caregivers. Parents often pay their child care fees to the home child care agency.
